THE ALBANY BICENTENNIAL

1766 - July 2 - 1966

Dear Friends:

You are cordially invited to attend Albany's Bicentennial Birthday Party on July 2, 1966. It will be held in the Albany Town Hall, Albany, N. H., Route 16.

We regret that we are unable to make this the gala affair it deserves; however, we hope to make the "Open House" a friendly occasion, where new and old acquaintances may be made or renewed.

There will be an interesting display of memorabilia which we hope will recapture yesteryear's nostalgia for you.

"OUR HERITAGE," a booklet containing bits of Albany's history and little known facts, as well as pictures, will be on sale.

The hostesses will serve tea and birthday cake. If you are a stranger in our town, the hostesses will suggest places of interest for you to visit.

Albany has five eating places where your hunger or thirst may be appeased.

We'll be looking for you; please do come.

Report of the Forest Fire Warden and District Chief

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p.m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

FIRE RECORD FOR 1965

State — fires, 887; acres, 1,255; District — fires, 93; acres, 23.

HAROLD M. LEAVITT,
Fire Warden

REPORT OF THE LORA JOHNSON PIERCE SCHOLARSHIP FUND

The Albany Civic Group is 1962 established the Lora Johnson Pierce Scholarship Fund to aid deserving students from Albany who wish to further their education after high school. It is maintained with funds raised by public suppers, rummage sales, etc., with a few private donations. In 1965 donations were made by the Johnson Oil Co., and by Mrs. Mary Johnson, both of Conway, and a donation was made by the Albany Civic Group to the Fund in memory of Louise Cheney who was a charter member. Curtis Coleman was the recipient of the allotted scholarship for 1965 and is attending St. Anselm's College in Manchester, N. H. Terrance Gagne was the sophomore selected for the Citizenship Tour to Washington, D. C. At the close of 1965 the treasurer reports a balance of \$436.30 in the Fund. With the continued efforts of the Civic Group and of those who have given so generously in the past we are confident the Scholarship Fund will continue to grow that more deserving students of Albany may benefit.

Respectfully submitted,

NORA A. LEAVITT, Secretary
